Applications are now available for the Clark County Community Foundation Inc (CCCF) 2016 Scholarship Program. For the second year in a row, the Foundation will award at least three (3) \$250 scholarships to eligible seniors, graduating in 2016 from area high schools. Applications are limited to high school graduates whose primary residence is located in Clark County, Wisconsin.

Interested students are encouraged to visit their high school’s guidance counselor or guidance department and pick up this year’s application form. The form can also be obtained from the CCCF website at www.clarkccf.org. All Applications must be mailed to CCCF by March 31, 2016 to be considered for this year’s scholarship cycle. The CCCF Scholarship Committee (composed of Directors and community volunteers) will review all applications received and select the scholarship winners by the end of April. Scholarship winners will be notified directly, and all applicants will receive correspondence from the Foundation by the end of May 2016.

As a 501(c)(3) tax-exempt nonprofit organization, the CCCF receives donations from generous individuals, businesses, or organizations, to benefit of the citizens and communities of Clark County Wisconsin. Donors have the opportunity to restrict or designate their contributions to certain funds or programs of the Foundation, or to make unrestricted gifts that are then disbursed at the discretion of the Foundation’s Board of Directors. If you, or someone you know, is interested in establishing a scholarship fund “In Memory” or “In Honor” of a loved one, contact the Foundation for more information.

All donations received by the Foundation now, through June 30, 2016 will automatically place each Donor into the CCCF “Charter Donor Society” program, or CDS. Created to give special recognition to those who financially support the Foundation during these initial years of operation, these CDS members will forever be recognized for their leadership and support of the CCCF and its mission.
