### **Foundation Selects Gift Basket Winner**

Members of the Clark County Community Foundation (CCCF) recently presented Logan Redmond, Neillsville, with a gift basket filled with “Made in Clark County” items. The basket was featured at the CCCF booth at the 2019 Clark County Fair in August. Logan and many other fair goers signed up for a chance to win the bountiful prize. Items in the basket included maple syrup products, honey, wine, barbecue sauce, gift certificates and many other hand-crafted products that were donated by Clark County artisans, businesses or and others. Pictured with Logan (right) is CCCF Board member Anne Teska. The Clark County Community Foundation is composed of volunteers from around the county and operates to enhance the lives of the people of Clark County WI.
